# The Fox Inn

As part of our commitment to our customers and in adhesion to the current government guidelines for the corona virus outbreak ,the business has implemented the following policies until further notice .

1. A full weekly disinfectant spray cleaning system is in place at the property both internally and externally (Where applicable).
2. All persons arriving at the property for the collection of food will be required to have paid in advance , they will park in their allocated bay and open the boot of their vehicle , then return to the inside of the vehicle, our staff will place the ordered items in the boot of the vehicle and retreat to a safe distance ( minimum 2 metres ) acknowledge you and return to the premises , you will be responsible for the closer of the rear of your vehicle , then please leave the premises respectfully.
3. All our delivery vehicles will be cleaned and disinfected each day.
4. All delivery staff will wear gloves and a mask to deliver to the doorstep only, they will knock the door or ring the bell and retreat to the minimum safe distances (2 metres) then leave your property.
5. All persons are requested for both delivery and collection to follow the uk government social exclusion guidelines and our policies without exception.

We here at the Fox will continue to try and provide takeaway and collection food services to the local community and the surrounding area's , we will only be able to continue to do this if our customers and clients work with us during the coronavirus outbreak and adhere to the uk government guidelines .

**Thank you for your Cooperation and continued support**
